### **TRECCIOLINO TCR series waxed wicks**

Our Trecciolino TCR wicks are top quality products, mainly aimed for pillar candles and jar candles. Braided wicks made from 100% pure cotton and paper outer jacket for reinforcement. Number of strands can vary, depending on the wicks' intended dimensions.

#### **No metal core – Pb-free (lead-free), nylon-free**

Our TCR wicks are made from natural cotton that has not been treated chemically, neither to appear white, nor to improve combustion results.

No chemicals used in the production of our wicks, therefore there is no use of any of the SVHC substances (i.e.: *Substances of Very High Concern*) – as referred to in the **EU REACH legislation** – nor any of the substances requiring special ECHA authorisations (CHK) to the present date.

The wicks are slightly coated in organic wax.

The TRECCIOLINO TCR series wicks of different sizes comply with **RAL (CANDLE QUALITY ASSURANCE RAL-GZ 041)** requirements, which include among others, the following points:

- the cotton in use has got to fulfil the criteria of 100 OEKO-TEX®, Standards 100 I or II;
- the wicks must not contain more than 5mg/kg lead or 5 mg/kg nickel.

**To be kept away from dust and humidity.**

**No particular care is needed in handling and storage.**

*Our wicks are eco-friendly. We certify that no harmful substances have been used in the process.*
